Aiken County government org. CONFLICT OF INTEREST

This county govt. merged its original 2 offices, Prosecutors (to file criminal charges, etc.) and Solicitor (to defend county against legal action) into one dept. Solicitor. This created an illegal CONFLICT OF INTEREST wherein anyone complaining about a county ageency, dept. or employee can only escalate it to the Solicitor, who squelches it to "protect" the county against suits. They have figured out a corrupt, foolproof way to do whatever they want, break the laws, abuse citizens, with no recourse. I asked them about it and they refuse to answer (they NEVER answer emails).
