Danny,

Does the text below suffice for what you need? Also, ran it past Darryl, but would you mind reaching out to Scott Talley to see if he would be okay with introducing LG Bryant?

The Senior Center Permanent Improvement Project (PIP) grant program was established by the General Assembly in 1991. Administered by the Lieutenant Governor's Office on Aging, the PIP grant program has since funded necessary construction and renovation projects at senior sites throughout the state. The Middle Tyger Community Center has been selected to receive \$350,000 in PIP funds to provide a dedicated senior center for the towns of Duncan, Lyman, and Wellford in Spartanburg County. The senior center will include space for socialization, accessible restrooms, a catering kitchen, and a multi-purpose room for group dining, educational and health promotion classes, group exercise, and a variety of other aging related activities. The center is expected to open in April 2018. An award ceremony and general remarks are scheduled for 10:00 a.m. on Monday, May 1, 2017, at [84 Groce Road in Lyman, South Carolina](#).

Hank
Can you just pull a couple of sentences and send to Danny? Scott Talley wants to send out to Delegation. Just What, where, when should work.

Thanks

Danny / Darryl / Lily,

I spoke to Andrea Moore with the Middle Tyger Community Center late Friday afternoon. Below is a summary of our conversation and other details for the May 1 event.

- The plan is to have the PIP grant presentation outside (picture of area attached; also, [Google StreetView](#) link).
- The rain plan would be to move the event indoors to their board room (seats ~30).
- Andrea will have a podium on-site, in addition to a microphone and small speaker (if outside; if inside, she says it's not necessary).
- An average of 20 seniors show up to the center currently, and they will be invited to attend.
- Chairs will be provided outside in case seniors or anyone in attendance needs to sit during the presentation.
- In addition to the seniors, she is also inviting the following groups and/or group representatives:
 - o Town council members (Duncan, Lyman, and Wellford)
 - o Board members and donors
 - o County council
 - o Spartanburg Parks leadership
 - o Spartanburg Regional Foundation
 - o Rita Allison (possible introduction of the LG?)
 - o Scott Talley
 - o Eddie Tallon
- A draft press release has been given to Darryl for approval from the LG. Once approval is received, Andrea would like to read over it. She also suggested a final version be distributed to the following media outlets in the area:
 - o WSPA (Andrea will place a follow-up / reminder call after the release is sent)
 - o WYFF (Andrea will place a follow-up / reminder call after the release is sent)
 - o Spartanburg Herald Journal (we will need to follow-up / remind)
 - o Greer Citizen (we will need to follow-up / remind)
- We need to discuss the following:
 - o It didn't sound like she had any type of order / program in mind for the event. Need your input on what you and the LG would prefer.
 - o Would you like a big check to be printed on foam board from Office Depot, etc. for picture / presentation purposes? If not, it doesn't seem like there will be any other props (for example, the ribbon cutting will be held at a later date nearer to project completion).

Danny / Lily:

We have discussed the May 1 PIP presentation and decided that the following times would work best for everyone, if it suits the LG's schedule.

9:30a to 9:45a – Window for the LG to arrive ([84 Groce Road, Lyman, SC](#)); LGOA staff will be on-site by 9:30a
10:00a – Start presentation
10:30a – Depart for Spartanburg (20 minute drive to his next destination)

Good afternoon!

Just wondering what the LG's calendar looks like on May 1. I know he will be in the upstate, but Darryl wanted to add an aging stop if possible.
