Good morning Marcia,

Per the attached letter, Secretary Napolitano has extended the deadline for states to submit requests for a second extension and the required Material Compliance Checklist from October 11, 2009 until December 1, 2009. Please keep in mind that under the current law states must be in compliance with REAL ID by December 31, 2009 for a state-issued driver's license or identification card to be acceptable for official purposes such as boarding commercial aircraft. If desired, please feel free to forward the attached letter to any other affected stakeholders.

Thanks,  
Darrell
