The Honorable Nikki R. Haley
Office of the Governor
State of South Carolina
1205 Pendleton Street
Columbia, SC 29201

Dear Honorable Governor Haley:

Please accept this letter as my tender for resignation from the Richland County Recreation Commission Board of Directors, effective immediately.

I have enjoyed serving the residents of Richland County through providing services such as parks and recreation activities. I feel confident that the service I have voluntarily provided has been fruitful and fulfilling. Due to personal family issues, I feel I can no longer contribute the time that this position requires and respectfully request my tender for resignation be accepted.

Sincerely,

George D. Martin, Jr.
