Subject: "I Believe" Attorney's Fee Award

Attachments: Order re Attorney's Fees and Costs.pdf

Marcia:

Judge Currie awarded attorney's fees and costs in the amount of \$202,705.57 "jointly and severably" against both SCDC and SCDMV (technically, against you and Ozmint in your "official" capacities).

She took notice of our request to make the award against the State, but argued that, since an award against the Directors of SCDC and SCDMV in their official capacities was essentially as award against the State, and since the "State" was not a party to the case, she would leave it to you and Ozmint, "as Directors of their state agencies, to work with others in state government to determine how best to allocate the award."

IMPORTANTLY – on the first page, the Judge notes that you have been dismissed in your individual capacity, and that the order addresses you solely in your "official" capacity. So no one is going to take your furniture. At least for this.

Call me.

Gene
