South Carolina State Parks

at 12:46:07 on 9/30/2009 UTC

Listen as Table Rock Park Interpreter Scott Stegenga tells us about the process leaves go through during the fall when changing colors.

Why do leaves change color in the fall?

Kathryn Gordon Cress Thanks Mr. Scott; Our class watched this video this morning. It went right along with our lesson this week on Fall Leaves! Wow Facebook is so educational!!!!!!

Joanie Sanders Table Rock is only about 10 mins from my house!

at 14:09:32 on 9/30/2009 UTC

Rebecca Vaughan Simmons Loving this site! GREAT INFO! Keep up the good work.

at 14:44:54 on 9/30/2009 UTC

Jennifer Lynn Small McCarthy Joanie Sanders, I am so envious. I live in Charleston, maybe we could "house swap"!!! for a brief time.

at 15:47:26 on 9/30/2009 UTC

Lisa Wright Fuqua We are camping at Table Rock State Park THIS WEEKEND! Cannot wait!

at 16:54:09 on 9/30/2009 UTC

Tammy Hayes Ferguson Nothing like seeing Table Rock from my house!! Camping there in Oct....can't wait!!!

at 20:26:48 on 9/30/2009 UTC

South Carolina State Parks Kaye -- Table Rock is in the Upstate of South Carolina on SC Hwy 11 in Pickens County. It is 30 miles NW of Greenville. It is an awesome park with great scenery, hiking trails, fishing, canoe rentals, camping, cabins, meeting facilities, and more!

Visit the park website at: <http://www.southcarolinaparks.com/park-finder/state-park/350/things-to-do.aspx>
