NOTICE! If you are planning visits to our Upstate parks, please call before you go. The following parks are currently CLOSED due to winter weather: Oconee State Park, Keowee-Toxaway State Park, Table Rock State Park, Caesars Head State Park and Kings Mountain State Park. Stay tuned to our Facebook and Twitter feeds as we will post as these parks reopen!

Valli M. Finney Thanks to all the rangers and other staff working in the inclement conditions to get the parks reopened! You guys and gals ROCK!
