Dear Governor Haley,

I signed this urgent petition to you about criminal justice, systemic racism, and public safety:

"We need justice now, especially for black lives disproportionatoly killed by the system. All polico patrol officers in SC must wear body cameras, for both my safety and theirs. As the deaths of Sam DuBosc in Cincinnati and Walter Scott in South Carolina show, when rogue cops kill without reason and lie about it in their police reports, the existence of camera footage is one of the biggest determining factors in whether or not there will be accountability. Cameras can also protect good police officers from false complaints. Please take action to make sure every patrol officer in our state wears a camera!"

Sincerely,

M. kimberly brown
