Registrar

When there was no attending physician or midwife, then the father, householder, etc., should make this return. If a child breathes even once, it must not be reported as stillborn. No report is desired of stillbirths before the fifth month of pregnancy.

When there was no attending physician or midwife, then the father, householder, etc., should make this return. If a child breathes even once, it must not be reported as stillborn. No report is desired of stillbirths before the fifth month of pregnancy.

Persons No. 10. When there is a placenta or umbilical cord, it should be reported as a separate birth. In case of twins or triplets, use a separate birth for each child, and mark the first-born, No. 1, the other, No. 2, etc., in question 2.
