No problem.

Thursday morning is great! Do you want to meet for coffee? Carolina café? Or my office – whatever works for you.

Totally forgot I have a hair appointment and PT tomorrow afternoon. Could we meet Thursday morning – 9ish? Or Duane is coming over to meet with Gov today at 2:30pm – I could pop over then. Whatever works for you

Hola Amy -

Patrick Davis here and I just finalized an offer for an event at next year's Masters and it made me think of you and the Heritage...

So... just let me know if you are still interested in pursuing an event for The Heritage 2016 week and we can try and lock it in. :)

Hope you are doing wonderful!

Hey Patrick –

Thanks so much for reaching out! I will definitely keep you in mind for next year!

And yes, LOVED the song you sent!

Good long with the songwriters in the Bahamas! Sounds fantastic!

Hey Amy -

Sorry for delay in replying... Just getting in from one of the songwriters I have started down in The Bahamas!

No problem about this year... just let me know about next... as it's always good to book em early.

And.. if you have something between now and then where you need one person to come in and knock some big wigs off their feet with stories and music... let me know.
:)

Thanks!
PD

P.S. Did you get a chance to take a listen to the song I sent?

Hey Patrick

I actually met with the folks yesterday. The plan and details for the evening event I had in mind has already nailed down for this year. However, we would be real interested in having you next year or for another event sometime during the year.

Let's keep in touch

Thanks for following up with me! You were on my list to email today.

Thanks,
Amy
