PEBA Heisler Certification Draft.docx

---

Swati,

On May 3, we appointed Stephen Heisler to PEBA.

Pursuant to SC Code 9-4-10(D), we are required to certify to the Secretary of State that our appointment meets the minimum requirements outlined by subsection (B) and (C). This additional certification falls outside of our normal appointment process.

I've attached a draft letter that I believe will satisfy this requirement. Please let me know if anything should be changed or added. I will deliver a hard copy shortly.
