SC State Parks Set to Reopen Friday, May 1

PLEASE READ ALL INFORMATION BELOW

Following public health protocols, South Carolina State Parks plan to reopen on Friday, May 1, on a limited basis. Group facilities like picnic shelters and community buildings, will remain closed for the time being, and visitor gathering places like interpretive centers and park offices also will remain closed initially or will operate on a limited scale.

- SCPRT will continuously monitor visitor usage and adjust visitor services as needed to ensure compliance with the guidance provided by SCDHEC and the CDC.

- Each state park plans to lower its carrying capacity, allowing a limited number of visitors at once. Levels vary by park. When a park reaches its threshold, the gates will be closed until the number of visitors decreases.

- State parks also plan to honor any existing camping and cabin reservations that were scheduled to check in on Friday, May 1, forward. Some state parks will begin taking new reservations for stays that begin May 11 forward, and all park accommodations will come back on line as staffing levels return to normal.

- State park Visitor Centers are scheduled to reopen on Monday, May 11, and feature proper signage, physical indicators and barriers in place to ensure the safety of staff and visitors.

- All state park retail stores and spaces should open by Friday, May 15. SCPRT will use SCDHEC and CDC guidance to determine the maximum occupancy in these common area facilities in order to maintain social distancing rules and limit contact between staff and visitors.

- Due to the difficulty of effectively cleaning equipment, all playgrounds will be closed until June 1. All playground areas will be cordoned off and signed appropriately.

- Existing reservations for group rental facilities will be cancelled through June 1. These facilities include all shelters and community buildings, wedding venues, group camps and any other facility rented for the purpose of a large gathering. All groups will be given the opportunity to re-book at no additional cost. No fees will be assessed for any cancellation or rescheduling for events occurring prior to July 1. Determinations regarding future cancellations will be made in accordance with the status of health and safety guidelines.

- Until further notice, state parks will not conduct park programs or tours of historic homes or other historic structures such as the Hunting Island Lighthouse or Atalaya Castle at Huntington Beach State Park. Meanwhile, Facebook Live interpretive programming that became popular in March and April will continue on a limited schedule and can be followed on our Facebook page.

PARK PASSPORT HOLDERS:

If you are currently a park passport holder, we will do one of two things to give you back the month you will be missing.

- When you purchase a new passport, we will add the extra month on to that passport at no charge.

- When your current passport expires, you may turn it in and we'll give you another passport for the month missed at no charge.

Thank you for your understanding and patience during these unprecedented times. Please stay tuned to our social media and website, for updates and information.

Joanne Saxby-Furr This is great news! I see it like this, nobody is twisting anyone arm to go to places that are opening. If you dont feel safe then stay home. Honestly, these state parks will be monitoring everything. There is a way to do this safely, and I think there doing this the right way. But that's just my opinion...

Robert Heather Oneal Mitchell Nelson if they have a travel trailer or motor home yes. Pop ups not necessarily equipped and tent campers certainly not. Waiting until mid month to bring in overnight/out of state guests would be prudent. I understand camping is the bread and butter and I love to camp as much as anyone, but precaution regarding travel from hotspots needs to be taken.

Nancy Yoffie Dunsford Ycart J Rengaw, but what if she was exposed and was infected during her shift at work before she went to the park? She's just relaxing after work, not yet sick, but if someone walks by her park bench while she is sighing and re-grouping for her next task, that innocent person is exposed and maybe infected...then the newly infected person from the park passes by or stops to chat w/ others who then are exposed....you see where this going...it isn't just about one person's right to go to the park.

South Carolina State Parks Yes, of course.

at 12:39:54 on 4/23/2020 UTC

South Carolina State Parks You can purchase it online. The passport will be punched through June 2021, giving you 13 months. Once the retail/visitor centers reopen, you can purchase there. Whichever you prefer. <https://scparkstore.com/collections/park-passports>

at 12:41:42 on 4/23/2020 UTC

South Carolina State Parks All state park beaches will reopen on May 1 for day-use, except for Edisto Beach State Park. Due to restrictions onto the island by the town, only campers and overnight guests to the park will be able to access the beach area.

at 12:43:28 on 4/23/2020 UTC

South Carolina State Parks Yes, the pier will be open, but social distancing guidelines and lowered capacities will be put into place.

at 12:44:16 on 4/23/2020 UTC

at 0:13:54 on 4/24/2020 UTC

Vanessa Hensley There is no way to limit where campers come from. Anyone could reserve online with a fake address if there were limits and then checking ID's at the gate would put staff at great risk. Hopefully people that are sick will do the right thing and stay home.

Mitchell Nelson Sharon Strickland Every park has electric / water sites if they allow motorhomes, travel trailers, 5th wheels etc.. and if you have a shower in your rv then you do not have to use the bath house. We never use the bath houses, that's the main reason we have a motorhome..

Tracy Jones Mitchell Nelson, Do you think everyone who stays at your State Parks are only locals. Camping outside by yourselves and most campers, camp because they want privacy and to be by themselves. Plus other states are opening up State Parks as we speak. You're not the only State...

at 1:50:06 on 4/24/2020 UTC

Tracy Jones Camping is OUTSIDE and in YOUR OWN SPACE!

at 2:06:43 on 4/24/2020 UTC

Mitchell Nelson Tracy Jones I never said they would be. But I do know my local park 7 miles from my house is usually locals. Sorry if that makes you angry. It's not a time for everyone to just pretend this is done and we can go back to normal. I've been at home with my 3 kids home schooling now for over a month. We would absolutely love to go out to our parks and enjoy a different view while practicing social distancing.. not everyone will do that. And if everyone isn't careful.. it will get worse. The parks are doing their best and it's our job to support them and understand all of these details.

at 2:33:26 on 4/24/2020 UTC *(hidden)*

Tracy Jones Mitchell Nelson , I'm a Special Education Teacher and trust me, I feel your pain. SC never did order a "Stay At Home". Our state did and social distancing. Some point these restrictions have to ease and who's to say when it's to soon, to late, or a second phase... Just saying!

at 2:59:26 on 4/24/2020 UTC

Mitchell Nelson Tracy Jones agreed! I have 2 special needs children, so it's been tuff! But we are getting through this with the support of our teacher. My kids love camping, and it's definitely a need right now. I wish the state would have done more. I also have a best friend who works for the park service and know there end of the pain too. I just keep hoping I'm going to wake up and it's gone like a bad dream, but I know that isn't the case. We just have to do our very best to keep it down.
