Dear Director,

This letter is a request for information under the FOIA (Freedom of Information Act). I would like to obtain the South Carolina Medicaid procedure code utilization broken down by specialty and code. The specific codes I am interested in are the Evaluation and Management codes 99201-99215, 99221-99233, 99241-99255, and 99281-99285 for all specialties. Attached is a one page example of what I need. I am interested in the calendar year 2010. These codes will be used for statistical analysis. Please send the information to my attention to the address above. If there are any questions or problems, I can be reached at 843-876-1321 or at spiveycc@musc.edu. Thank you for your assistance.

Sincerely,

Dear Director,

This letter is a request for information under the FOIA (Freedom of Information Act). I would like to obtain the South Carolina Medicaid procedure code utilization broken down by specialty and code. The specific codes I am interested in are the Evaluation and Management codes 99201-99215, 99221-99233, 99241-99255, and 99281-99285 for all specialties. Attached is a one page example of what I need. I am interested in the calendar year 2010. These codes will be used for statistical analysis. Please send the information to my attention to the address above. If there are any questions or problems, I can be reached at 843-876-1321 or at spiveyccc@musc.edu. Thank you for your assistance.

Sincerely,

Christina Spivey, CPC
