April 2015

***"I have set you as a watchman on the wall,  
To hear the Word at My mouth and repeat it to the people...."***

Song given to Julie Rider by the Lord in November 1993

We are now **Watchman On the Wall** for our countrymen, Americans trapped in a land not theirs. America has been overthrown, betrayed by evil people bent on plundering, robbing, and subjugating Americans. **Monstrosity** is risen, and she is determined to rule the world. She will fail, of course; Jesus Christ will rule the world, but this fact won't stop the insanity from moving forward. Countrymen, these are dark days, but the Light of the world beckons. His Name is Jesus, and He alone can keep you from being swallowed up by Monstrosity's darkness. Amen.

We once again urge you to **lay in a 30-day supply of EVERYthing you would need, including gasoline**. September is getting closer, and the Lord's **Shemitah** will come to full completion in that month.

## **"THROUGHOUT MONSTROSITY"**

**Saturday, 7 February 2015:** The Lord used the revelation gifts to convey our beastly future to Julie.

***"This is the way it will be in the days that are approaching in your monstrous land, says the Lord. The ones in power will sell themselves for safety and will sell your people for gain. In the meantime, they will turn more beastly and more dangerous daily, and the ones chosen to come and join them in power will teach them new ways to lie and defraud. There will never be a lack of monstrous thieves and lying politicians in Monstrosity's future. I have let them have what they wanted, and I will let them increase in their taking, their plundering, and their conniving. The thieves of Monstrosity will be a byword in all the world, and even nations that never had a witness of righteousness will marvel at the unrighteousness of Monstrosity's beasts. This their fame will be their shame, though they will not understand it.***

***"Nothing she does will prosper again,  
None of her victories really win;  
Nothing but vomit, corruption, and sin  
Throughout Monstrosity.***

***"Daylight to dark and again till day,  
All she will gain I will cast away;  
Leave her and let the Assyrian slay  
Throughout Monstrosity.***

***"Rivers of blood and a landslide of shame,  
Infamous deeds as the end to her fame;  
There'll be no one but herself to blame  
Throughout Monstrosity.***

***"I will judge and avenge for the sake of My Name  
in the midst of Monstrosity. Thus saith the Lord  
the Righteous Judge. Amen and amen."***

Remember the Pew poll, the one that informed us that over 90% of our lawmakers are "Christians"? Let's see you reconcile that to this: ***"There will never be a lack of monstrous thieves and lying politicians in Monstrosity's future."*** There's no shortage now, either. Who are those ***"chosen to come and join them in power"***?

Know this: the wickedness and freedom-stealing is *not* being carried out by Christians. Christians are honest. The holy Lord will expose the pretenders when He takes the true defenders home to Haven at the Rapture.

***As Noah preached righteousness till the Flood, so shall you preach righteousness till the Rapture."***

Word of the Lord to Gordy Rider, July 1986

## “A FREEZE”

**Sunday, 29 June 2014:** The Climate Master issued this cold forecast to Julie by the revelation gifts.

*“Tell your people this warning from Me, says the Lord to His watchmen this day.*

*“I have spoken of a freeze that will come to your nation, says the Lord, and the time is approaching when it will come. I am not speaking of a freeze in the natural, though there will be many of those in future times. I am speaking and warning of what I will do to your land in the spirit.*

*“There will come a time when I will bring a freeze to your economy. I will freeze the movement of money and the flow of goods. I will freeze commerce and the ones who buy and trade without mercy and with no regard for the poor. I will freeze the assets they thought they had and the riches they thought they possessed. I will freeze them, their schemes, and their methods of gaining and acquiring.*

*“Prepare for this in the natural by storing up goods you will need for a month. Prepare for this in the spirit by coming to Me for salvation and safety, for provision and comfort. Prepare for the loss of all things except your life in Me and your daily bread from Me. Prepare for the hard times of lack and deprivation I have warned about repeatedly.*

*“What comes will try you and will reveal many things to you. Press in to Me now and find all you need now and all you will need for the future. Thus saith the Lord to the ones who will hearken. Amen and amen.”*

As the freezing weather of Winter 2015 has paralyzed certain places in Monstrosity, so the **Shemitah** will likewise paralyze the nation. It will freeze the ambitious plans of the **Plundercrats** at every level, federal, state, and local. It will dethrone the vain words and proud claims of the pretender in the White House. It will nullify the schemes of the moneychangers and the covetous. The Most High's Words are the Words that will stand forever; everyone else's words are excluded.

## “MONSTROSITY'S PROPHETS”

**Wednesday, 18 February 2015:** Truth will prevail, as Julie learns through tongues and interpretation.

*“When I give you a Word to speak to Monstrosity, you speak it in the Power I have put within you and in the Anointing I have put upon your lives, says the Lord. It is My Power and My Anointing in which you move, and it is in My calling as prophets and watchmen that you function. You are vessels of honor and of Power, and I send you with Words that will hasten Monstrosity's fall and will bring her doom to her. It is a solemn charge and calling, says the Lord.*

*“Those who function as Monstrosity's prophets are speaking words in opposition to Mine. They are promising her unending success and a restoration to greatness. They promise her continued spending sprees and a rejuvenated economy. They forecast peace and plenty. Everything they say is a lie. When they speak, you will recognize them by the lying words that flow out of them. They are monstrous liars and evil seducers, and they cause the unwary to hope and believe in a lie that will not come to pass. I am against them, and I will cause their lies to unravel before everyone. I will cause them to feel the heat of the fires of My judgment. They will be oppressed with no relief, and their lying words will fall to the ground.*

*“The day will reveal their words as a lie, and Monstrosity's prophets will fail. Nothing they promise will come to pass; they prattle to no avail. Her lying deceivers and all of their cant will be blown away like the sand; and only the Truth will prevail at the last in the midst of Monstrosity's land. Thus saith the Lord the Truthful Word. Amen and amen.”*
