Subject: Office on Aging

Catherine,  
Could you have the office on aging contact Senator Martin's constituent who has POA for his elderly mother who has Alzheimer's Disease and see if they can set up a time to go out and assess his mother and their needs. His mother lives alone at this time and he and his sister have power of attorney for her and they need to know what services are available to their mother to help them plan for her care.

Contact information is:
