

**SCID Protection Daily Report: 12/04/13**

**Summary of SCID Protection Enrollment (as of 4:00 PM EDT)**

- ~ 117,924 adult enrollments
- ~ 7,893 child enrollments
- ~ 1,315 business enrollments
- 74,580 total calls processed
- 6:58 average call time
- :39 average wait time (for 12/4)

**Main reasons for calls/inquiries (to CSID):**

- **User received an error when attempting to enroll** – A small percentage of users have received an error when attempting to enroll for coverage. Some users also experienced a situation where they were locked out after experiencing error messages three times when attempting to enroll in the same browser session. For security reasons, we limit the attempts at three within one browsing session. Users that find themselves in this scenario can completely close the browser session and try again, or contact our CSID South Carolina Identity Protection Hotline toll free at 855-880-2743.
- **Eligibility** – Users are not eligible for coverage as they were not part of the main database provided by the SCDOR. These users will need to wait until CSID receives an approved PIN from SCDOR for CSID to call/email the user back and allow them to enroll with the PIN.
- **General information/questions** – Users would like information on how to enroll/eligibility as well as contact information. Out-of-state residents have also inquired on how to enroll.
- **Problems enrolling online**
