Subject: congratulations ~ Website email from Christopher Vagnoni

Dear Lt. Governor Bryant: As a local physician (and a former pharmacist), I would like to congratulate you on attaining the position of lieutenant governor. My family and I wish you all the success in helping to guide our state. I drive by your pharmacy every night as I leave AnMed, where I work, and I just think it is wonderful to see an independent pharmacy. I wish that was the norm and not the exception. Best wishes, Chris Vagnoni, MD
