---

Spoke to Jamie about it yesterday. Wording mistake, she knew the difference between amendments

Just FYI – this is what I was referring to regarding Senator Young –

One amendment that Senator Rankin and I offered was a provision requiring that members of the General Assembly submit their campaign account bank statements at the time of their quarterly ethics filings. We viewed this amendment as another way to ensure state ethics law compliance by members with respect to member's campaign accounts. The amendment passed and the bill now goes back to the House of Representatives for consideration. Senator Tom Young
