Dear Governor Haley,

Many thanks to you and your team for the beautiful flower arrangement you sent to my dad's memorial service. Your thoughtfulness and kindness were, and are, appreciated by my family and me.

My dad was a staunch Democrat who worked as a Deputy Administrator for Dept of Agriculture, East Bay, during the Nixon administration. He was a big fan of yours and proud that Gene and I supported your work. My dad was also a patriot. He

served in the Korean War and was honorably discharged as an Army Captain.

We celebrated Dad's life with a moving military service - complete with active army's presentation of the flag, a 21-gun salute and morning vaps, played by a friend Pentagon/Pentagon bugle.

Knowing there were folks at home who could meet a great deal to me. Thank you! With regards
