Happy New year! I am reaching out in hopes you might have a few weddings or other events that need an acoustic band, or maybe even a fill in band at some point throughout the year. My Father in law Rev. Allen Waters(a graduate of The Citadel), my Mother in Law Tami, My wife Bekah and I, make up a family ordeal called the Waters family. We Pastor a church in Franklin NC and are looking for venues to play music on the side. We are testing the waters(no pun intended) on places and events that might benefit from our style as we would like to expand outside of our local hometown bookings. Give us the chance to entertain your guests with mellow acoustic sounds of the mountains we call home. If you have any events that you feel our style might compliment, fell free to contact me here or give me a call at 828-200-6708. Thanks for your time and God Bless! <https://youtu.be/Hg8bJqSJjVI>
