Subject: RE: accountability report

Gerry, I have spoken with Danny, we don't think there are any changes that need to be made.

Danny, Can you please have the Lieutenant Governor respond to this email with authorization to use his electronic signature on this.

We can provide the electronic signature immediately but it may be a few days before we can provide a copy with an original signature.

Best Regards,

Subject: accountability report

Good morning Catherine – welcome back!

Please let me know when we can discuss your changes to the accountability report. I also need the Lt. Governor's signature on the narrative template. You can scan the signature page and email, but I also need to send a copy with his original signature. The report is due on the 13th so hopefully I can get it as soon as possible so I can combine the final document.
