Hi Arun,

It was so good to speak to you on the phone just now. My personal cell is 803-609-8583, and I have attached my card for your reference. I have copied Katherine Veldran as well, who is the point person in our office for the Governor's trip to India. I communicated to Katherine the Governor's desire to have Alok Industries added to her itinerary if her schedule permits.

Please let me know how I can be helpful in working with our team over at the Department of Commerce. [We want to be certain your needs are being met, and that the transition to South Carolina is as seamless as possible.](#)

Thanks again for the call.

Warm regards,
Beth Webb
