Hello Christian!

I hope this last bit of summer is finding you well! I would like to go ahead and start trying to set a meeting with Representative Sandifer. But I didn't want to mix up communication!

Just to be clear- we were going to try to get Sandifer and you were going to mention something to Alexander? (Or was is the opposite?)

I also mentioned the situation to Sen. Bryant at lunch and he asked for additional information. I sent him the one pager and draft language but haven't had a response. I don't know that he would be a sponsor, but didn't think it would hurt to brief a member of the Finance Committee's Criminal Justice subcommittee!

Thanks and hope all is well!
Caitlin
