Kim Halterman Krista Moore, do we have this in Virginia?

at 0:42:42 on 1/18/2018 UTC

Michelle Craig I can't pick just one! There are so many great ones. I loved all the coastal, I'm a beach person. The upstate was cool too, i haven't spent much time there and the waterfalls and views a beautiful. And then the plantations, I wish i could go back in time to see the way of life then. I have the pass again thos year and will be spending more time at some of these.
