OBAMA'S TEMPER TANTRUM AT A RECENT MEETING WITH TOP U.S. MILITARY BRASS IS BEING REPORTED AS FOLLOWS;

\*In a fit of rage, Obama snaps at U.S.military brass: "Don't you dare try and paint all of Islam with the same brush.\*

\*Showing his Muslim stripes, Obama threw a hissy fit and stomped out of a Pentagon meeting about the bombing campaign against ISIS over remarks allegedly tying the Islamic State (ISIS) to Islam.\*

\*His tantrum reportedly took place in the afternoon of last week just prior to the president's departure to Camp David. It was an informal briefing on the expanded bombing campaigns to take place in both Syria and Iraq.\*

\*Halfway through the already very brief briefing, President Obama stood up clearly agitated, and walked out of the room.\*

\*The casually dressed Obama returned to the briefing moments later with a senior adviser alongside him, though his mood continued to indicate he was still very upset.\*

\*The senior adviser made a couple pointed remarks to the Pentagon representatives, reminded them the president had already had a very busy day, and then both she and the president once again left the room.

Within seconds, Barack Obama returned again to the just concluded briefing, pointing at the still seated Pentagon staff and indicating how "inappropriate" it was to "try and paint all of Islam with the same brush." The president repeated similar remarks, his mood going from agitation to outrage. His voice carried to several other West Wing offices.\*

\*The senior adviser, who did not originally return with the president into the briefing, suddenly re-appeared alongside him, as well as the president's personal aide.\*

\*She was smiling, and telling everyone "we're done here" which she repeated several times and then led the president back out into the hallway.\*

\*"There are none so blind as those who will not see."\*

\*When you read this you will understand why Obama refuses to say the words "radical Islam."
