Dear Ms. Veldran,

Senator Shane Massey contacted you regarding consideration of my experience and qualifications for the position of Director of Probation, Parole and Pardons Services. Please see my attached resume to review my career experience in law enforcement in the State of South Carolina and most recently my corporate management experience in security services. With a Master's degree in Criminal Justice, FBI National Academy training in leadership and management experience in both government and corporate organizations, I consider myself to be a uniquely qualified candidate for this position. Thank you for your assistance. If I can provide you with any additional information, please contact me via email or by phone.

Regards,

Jody P Rowland
