Lieutenant Governor Bryant,

Leighton Cabbage and I working with a group of investors from the Upstate are planning to develop a new resort/hotel on Lake Hartwell in Clemson. We have a request in to the U.S. Army Corps of Engineers for the project and wanted you to be aware and to consider offering support. The Corps is accepting public comments until June 11 which is quickly approaching so we wanted to get this information to you as quickly as possible.

I have attached a letter from the investor group, Serrus Clemson House on the Lake, LLC as well as their formal request to the Corps for your information.

Please let me know if you have any questions or need additional information.

Thanks for your consideration, Steve
