ABBEVILLE COUNTY COUNCIL  
SPECIAL MEETING  
NOVEMBER 1, 2000

PRESENT: Chairman Milford, Councilmen Gunnells, Agan, Forrester, Director Allen,  
Attorney Pruitt

ABSENT: Councilmen Burnett, Calhoun, Dove

The meeting was called to order at 7:30 pm

First item on the agenda was an executive session for the following:

Chairman Milford stated that the Contractual Matter concerning Economic Development required action. In discussing the option taken on the 95 acres, there is another 45 acres available to the county that joins the 95 acres and the price is \$1,950 an acre which is less than what we got on the 95 acres that was \$2,300 an acre. After discussion by council, it was their concensus that the county should consider purchasing the 45 acres and felt they had an option to finance this property either through grants or from Little River Electric or Special Source Revenue Bonds. He felt this property should be purchased because it is a part of the tract that the county was going to purchase the 95 acres off of and it joins the property and is a good location and accessible to the other adjoining properties. Councilman Agan made a motion that we have an option to purchase the adjoining property of the 95 acres which is an additional 45 acres at \$1,950 per acre to be included in the same option as the 95 acres and is the same owner that owned the other property. Motion was seconded by Councilman Gunnells and passed unanimously.
