Subject: SCSU scenario analysis

We asked SC State to provide a "worst case" analysis of the cost to close the school. This request is in no way a reflection of Board members' thoughts but was made to simply provide an estimate of costs for the worst outcome for the school. We made sure SC State understood this, and they have forwarded to the Budget Office their estimate of costs to close the school. The estimate is attached for your review. Please let me know if you need any other information for the meeting tomorrow.

Thanks,
Marcia
