Good Afternoon Mr. Soots,

I would like to sort out some inconsistent communications I have received today. Early today our office was informed by SC Division of Veteran's Affairs that the meeting tomorrow would only include staff from SC Division of Veteran's Affairs and Dorn VA. However, I have just received a message from a AAA director that you spoke to this afternoon saying that you were meeting with a representative of the Lieutenant Governor's Office on Aging soon. Could you please clarify when and with whom you are meeting regarding the VDHCB Program. Thank you for your help sorting this out.
