South Carolina State Parks

at 20:20:34 on 4/28/2019 UTC · 🌐

Yesterday we officially cut a ribbon with Duke Energy and opened a new outdoor recreation facility at Keowee-Toxaway State Park —Camp Cedar Creek. The camp features 10 tent-camping sites, three camping cabins, a bathhouse, a park lodge facility, two picnic shelters, a small fishing pier and a portage trail to Lake Keowee. Like group camps at other state parks, Camp Cedar Creek will be available for rent as a whole unit. Stay tuned for more information! Thank you to our partners at Duke Energy! www.SouthCarolinaParks.com/keowee-toxaway

Lisa Borden Love this park! The only big problem is the "pack it all out" policy. A real problem when u r camping, have a dog, etc. Will this backward policy now change? Please put a couple dumpsters in this park!!

Joe Dowell Where is this? We were just at Keowee-Toxaway this past Monday-Wednesday tent camping. I heard about it from some locals and we drove thru the section of the park across hwy 11 from the main entrance and didn't see anything like this. It was just a short loop drive with a few day use facilities.

Martha Hopper Compton It is actually off the road next to the main entrance, not the section across the street. There weren't any signs on Hwy 11 so if you didn't know it was back there, you wouldn't know where to turn.
