Ben,

Yes, you are authorized to start spending funds in the new FY.

The new Caregiver funding is not available until late September. You will receive an amended NGA with the Caregiver funding when I receive it.

The additional state support is available for your needs.

The final NSIP funding was awarded in June. You will receive an amended NGA with any carryforward when you send us the final billing for FY13. This would include the SHIP, Internal, and Flow-through.

Hope this answers your questions.

Tony

Tony,

I have another question regarding the new NGA's. Since we don't have an approved plan at this point from LGOA, are we still authorized to start spending the funds in this new FY?

Is the Caregiver money in the home and community based line item?

Can the additional State Support money be used in any area?

Also, NSIP funds are not listed on our latest NGA.

Thanks,

Ben

Hi Tony,

I just got the NGA Amendment 3 with additional FY13 NSIP funds? Can these funds be carried over into next FY?

Have a great day.

Thanks,

Ben
