## Harmony

Charleston is so beautiful-- no matter what time of year you are there. Between the Spanish moss hanging in the trees, the water that surrounds you no matter where you seem to go, the cobblestone streets that lay beneath your feet.. and the absolute true definition of Southern Hospitality that encompasses the entire area, it is picture perfect!

On September 22nd I flew down to create beautiful imagery with the coolest couple! Sam & Nate decided to work with me quite a few months ago.. and they were a complete dream to work with from day one.

Their Wedding day was absolutely remarkable. The sun shone high, and hot in the sky-- but the love that surrounded this incredible couple was imminent from the moment I stepped into their home that morning-- to saying goodbye to them after so many wonderful dances throughout the evening!

Being a part of this incredible union was such a blessing! You can tell how loved this couple is through the gazes of their guests, the laughter that was shared-- and even the few tears.

Congratulations again Mr. & Mrs. Sam & Nate Durham <3 Thank you for allowing me to be a part of your amazing day! May your lives be blessed with happiness, love, laughter and plenty of adventure!
