Subject: SCMA Gov't Affairs Meeting Next Week

Katherine and Ted,

This is just a quick reminder about SCMA's Government Affairs meeting next Tuesday at SCMA. We have you down to speak about big issues the Governor will be focusing on next session from 11:30 AM – 12:00 Noon. We have members attending from Timken, Koch Industries (Georgia Pacific, Invista, etc), Duke Energy, Bridgestone, BASF, BP, International Paper, Boeing, GE, etc.

As information, some of the big issues we will be looking at next session include infrastructure funding, flow control, workforce training, taxes/economic development, energy, tort reform, environment (PCA fix), engineer licensure exemption for manufacturers, etc. If you have any questions, just let me know. We look forward to seeing you!

Sincerely,
Sara
