Just let me know what works for you.

Subject: Consumers' Choice Health Insurance Company (the Co-op)

Holly:

Consumers' Choice Health Insurance Company, a South Carolina domestic insurer, came into existence under provisions of the Affordable Care Act.

Due to commitments by the Federal Government that were not fulfilled, the co-op became insolvent in October, 2015 and was subsequently placed into Receivership.

As Receiver, I am at the point of pursuing options to recover some of the funds owed the company.

Please see the attached letter providing you some background on the issue and outlining a suggested course of action.

After you have had an opportunity to review the letter I am available for a further discussion, if you wish.

Thanks,

Ray
