**Subject:** School Safety Task Force Reminder

Good afternoon:

As a reminder, the School Safety Task Force will hold a **public hearing on November 6 at 10:00 a.m.** in room 433 of the Blatt Building. If we do not have many speakers, the Task Force may begin its work on finalizing the recommendations.

We have received some suggestions regarding the current draft recommendations and best practices and may ask for your consideration of those suggestions at the meeting. The attached document contains the current version of the recommendations. Suggestions that are not substantive have been made and are highlighted.

Thank you, and we look forward to seeing you later this week.
