Mr. Willes,

Thank you for contacting Governor Haley's office regarding life issues. We certainly appreciate you taking the time to share your concerns with our office.

Governor Haley is strongly pro-life, not because of any political party standpoint, but because her family reminds her every day of the blessings of life. The first gentleman, Michael Haley, was adopted and the Governor has stated constantly how thankful she is that someone chose life for him. Governor Haley is also the proud mother of two children who bring her constant joy as she watches them grow. Governor Haley will continue to encourage and work towards educating everyone to value the culture of life for all people.

Again, thank you for your correspondence.
