Friend,

I want to make sure you had a chance to check out the e-mail from Senator Scott below.

Our goal is to raise \$15,000 online by the end of March. We are just a couple thousand away right now. Can you help us get there with a small donation of \$10 or more?

Thank you!

Friend,

I don't want to hit the panic button, but we have less than a week to reach our goal for the end of the quarter. We're close, but we're not there yet.

Since I know that you are probably being asked by a lot of campaigns to donate, will you give me just a minute to make my pitch? I'll keep it short.

The Democrats in Washington are desperate. They know they need to do everything they can to hold on to their Senate Majority. That means increasing their majority. This November, they will be pouring money into our state left and right in order to defeat me. I need to be able to fight back, and all I'm asking from you is for \$10 to help me out.

Can you pitch in? Click here and donate \$10: www.votetimscott.com/Donate

Thank you for your support,

Tim Scott
U.S. Senator

P.S. We need to reach our goal of \$15,000 by the end of the month because that's when the quarter ends. It's essential that we make this happen. Can you please help us out?
