Subject: Dick Cheney endorses Laxalt in Nevada

Katherine --

Dear Friend:

I have some exciting news from the campaign trail. Yesterday, Adam earned the endorsement of former Vice President Dick Cheney. Please take a minute to read his letter of strong support below and consider contributing to our campaign today.

Thank you,

John Findlay

Campaign Manager, Adam Laxalt for Attorney General

From the Desk of
Former Vice President Dick Cheney

Dear Friends:

For years, Nevada has been battered by federal overreach and the Obama Administration. But I have hope. I write to introduce you to Adam Laxalt, a member of an up-coming generation of young, conservative leaders. Adam is running for Nevada's Attorney General. Your generous, financial support for Adam will help keep Nevada free and secure.

Let me tell you three reasons why I support Adam, and why **you should too**.

First, he is courageous. Adam volunteered to serve in the U.S. Military in Iraq during the Surge where he helped assist in the detention and prosecution some of the world's most dangerous terrorists. He will serve as Nevada's Attorney General with the same bravery.

Second, he has a strong sense of public service. This sense runs deep within his family. I was honored to serve with Adam's legendary grandfather, former Nevada Governor and U.S. Senator Paul Laxalt. Together, Paul Laxalt and I worked with our friend, President Ronald Reagan, to promote the fundamental American ideals we still hold dear. Adam has been endowed with his grandfather's ideals. Adam has faithfully served as a U.S. Navy and federal prosecutor, as a law Professor at the U.S. Naval Academy, and as a lawyer in private practice who donates much of his time and talent to charitable endeavors.

Finally, Adam is committed to protecting Nevadans from federal overreach. Adam will use the Attorney General's Office to fight for the rule of law and limited government. *The Weekly Standard*, the *National Review*, and other publications have noted that States' Attorneys General are proving to be the most effective roadblock to the Obama Administration's dangerous, liberal agenda. Adam has made a career defending the U.S. Constitution, and he will continue to do so as Nevada's next Attorney General.

But we need your help. Your contribution of \$25, \$50, \$100, or \$250 will help Adam strike a blow for freedom. Your generous financial support will aid in getting Adam's message of liberty out to Nevada voters.

There are a number of important campaigns across America this year, but no state race is as important as this one. I believe electing Adam Laxalt as Attorney General is of the highest priority.

Please help me support the next generation of conservative leadership in Nevada.

Sincerely,

Former Vice President Dick Cheney

John Findlay
