Here's what was asked and the response.

I'm off tomorrow, but I would gladly include comment from the governor. Please do not mention elsewhere until Saturday.

Thanks.

Some people think that a voucher program would take much needed money away from public schools. On the other hand, some people think that a voucher program would allow parents to get their children out of failing public schools.

Would you support or oppose a policy that would allow parents to use vouchers or tuition tax credits to send their children to private schools?

Support -- 45.2
Oppose -- 41.8
Not Sure -- 10.5
Refused -- 2.5

Margin of error +/- 3.3 points.
