I'll send this to the LG. He'll take it from there.

Subject: Scheduling Request

I received a call from [Cleo Steele](#) (843-907-3090) regarding a scheduling request for the LG. The date is open-ended, and she wanted to know if he would be around the North Myrtle Beach area anytime in the near future, as she would like to plan an event around his availability. Details were somewhat vague and minimal – she said she could have 75-80 people for a free lunch in the area for a topic of the LG's choice.
