## South Carolina State Parks

at 16:28:43 on 8/24/2021 UTC

You just never know what you might see from the Myrtle Beach State Park fishing pier! This video was taken today by visitor Candace Klixbull. It may be a little hard to see from the video, but the excitement in the child's voice says it all!

**Jane Leslie Whitmire** South Carolina State Parks how can \$50 for a reserved parking space at Devils Fork State park even be legal! It has made it impossible for us normal people to enjoy the only access to lake Jocassee. It already cost \$8 per person to get in the park. Whatever happened to first come first serve!
