Dear Michael,

I hear you are learning about the history and geography of the United States. How exciting! I would love to share some information with you about what makes South Carolina so special.

South Carolina is a beautiful state to visit and a wonderful place to live. From the mountains to the Lowcountry, there are countless opportunities to learn about history, participate in a variety of outdoor activities, enjoy delicious food, and meet some of the friendliest people in the nation. While we do not have any postcards available, I hope you will visit [www.sciway.net](http://www.sciway.net), [www.discoverouthcarolina.com](http://www.discoverouthcarolina.com), and [www.scstatehouse.gov](http://www.scstatehouse.gov) to learn more about the Palmetto State.

Keep up the good work! God bless.

My very best,
