NIKKI R. HALEY
GOVERNOR

1205 PENDLETON STREET
COLUMBIA 29201

Dear Friends,

On behalf of the people of South Carolina, I am pleased to send best wishes to the members of the 1st Battalion 27th Marines as you gather for your Reunion and to honor the 50th Anniversary of your Vietnam Veterans.

As members of the 1st Battalion 27th Marines, you proudly risked your lives to preserve the ideals upon which America was founded. Through the experiences you shared at your home base and in the faraway land of Vietnam, bonds were forged that continue to withstand the challenges of time and distance. By choosing a life of honor, duty, and sacrifice, you set a wonderful example for all of us, and you continue to inspire young men and women through your choice of service above self.

Michael and I hope you enjoy the warm hospitality, natural beauty, and cultural attractions that abound in the Charleston area. We thank you for your service and sacrifice and hope you have an awesome reunion. God bless.

My very best,

Nikki R. Haley
