Sure, I will look it over. Any of the proposed dates work for me.

Good Afternoon All,

We have received the paperwork from the Central Carolina Community Foundation. Nanette and I had a preliminary discussion this morning and recommend we have a meeting to flesh out details.

Nanette will review the document prior to our meeting and be prepared to walk us through a series of questions to expedite the discussion. Charlie, would you be willing to also review the document and coordinate with Nanette? I think this needs the input of our two great legal minds.

See attached. Please take a look at the following dates and let me know what would work for you for a meeting.

Thanks and Happy Thanksgiving,

Coretta,

The attached pdf has yellow dialogue bubbles indicating what needs your attention in order for us to prepare the final agreement.

Once you have the answers, give me a call and I will customize the agreement –filling in blank lines. I will send the final agreement to you to have the appropriate people sign. Once signed you return to us for signature and then we provide you with a copy. The dollars may be transferred whenever is convenient for Duke Energy. We're happy to provide wire transfer instructions if that is preferable to writing a check.

We're just so honored and thrilled to be working with YOU and also to be part of such a great project for our seniors in South Carolina.

Thank you,

Heather
