Yes,

And we supply things of the such for after play. The big question is are they going to show up in business suits and hope to store their suits in the locker room while they play?

I don't think so but some might want to freshen up after golf for the reception? Is the common for golfers?

Katherine,

I have attached additions in red. I am looking for a second option for Locker room Storage. Do you expect many players needing storage during play?

I will get back to you ASAP to let you know if we can do something.

I would like to give them instructions on the information sheet attached.

Can you email me text regarding the locker rooms and how to rent clubs with one contact and contact number. We will be sending this to the golfers next week.

They should contact Scott or I via email or phone.

We will need to know if they are right or left handed and whether they prefer graphite or steel shaft irons.

We will be glad to supply rental clubs for anyone who might be in need of renting.

We will need to have a relatively firm count beforehand.

We have some guests who are interested in renting clubs for the FGI? Is this possible and who should they contact to confirm rentals?

Thanks, KV
