Please order a mahogany, 36 x60 table for Swati's office.  
What would be the price? The book shows similar tables for \$215?  
What would be the timeline for make and delivery?

Can you please have someone bring up the coat rack that is downstairs for Swati's office?

Thank, Veldran

Carol,  
What are the dimensions of the table in Gary's office? The one we are thinking about for Swati's office.  
Thank you,  
Katherine
