Dear Morgan

I hope you had a wonderful trip to India in September in preparation for Governor Haley and her delegation's visit to India in November. We were also busy in September for our Prime Minister's visit to United States. We were pleased with the fruitful meeting Governor Haley had with our Prime Minister at New York on 28 September.

Shall we speak today to understand current preparations for Governor Haley's delegation to India. I would like to have updated programme for the delegation's visit and the composition of delegation to work on the next steps as we just a month left for the delegations' visit. Shall I call you at 10:30 am.

Regards

Ajay
