Subject: FOIA - Records due TODAY

---

Staff,

Please search your written and electronic correspondence regarding any activity/partnership with Governors McCrory and McDonnell's offices for the purpose of calling on the federal government to allow exploration of oil and gas off the coast of SC, NC, and VA. This correspondence can be with any outside party or the other Governor's offices themselves.

*Records must be provided by the end of the day – if you do not have records, then there is no need to respond.*

This FOIA request comes from Susan Sturgis with the Institute for Southern Studies.

Thank you.
