

Dear Governor Haley

Thank for all you do for South Carolina. I ~~am~~ am an thirteen years old and I have a Ministry, I give Bibles out to people here and internationally. I have so far gave 1200 Bibles in India and 400 in Nigeria. And And I ~~so~~ cant do this without Gods help.

But I have a dream of giving Bibles out to many places. Since ~~to~~ my Ministry has no funding I was wondering if you could help me. Below is stapled one of my cards. It would be such a blessing, if you could help me find some support. My dream would be to have a office or Building to ~~see~~ store my Bibles in to give out other than my small 8x10 Building. I am perfectly fine with that Because God gave me that. But I would also like to get help with getting my (501C3) license. I ~~is~~ really appreciate all you could do to help me further Gods word.

~~to~~ In Christ,

Daniel Craig
